

Sign Me Up: New Directions for the 2020 Plan Partner Network

100+ organizations working together to reduce poverty by 30% in South St. Pete by 2020

Tell us where you can pitch in to continue accelerating poverty reduction and economic growth for South St. Petersburg.

Employment Pathways to Exit Poverty

WANTED: Leaders who can serve for 3 to 6 months with a Pathways Work Group to a) further synchronize efforts and target funding for poverty-exit programs, and to b) create and launch a plan to recruit more life coaches to aid community programs supporting families to exit poverty.

More Youth Working & Earning

WANTED: Employers to target more jobs and internships, and financial supporters gifting from \$100 to help us continue growing youth employment. Contributions to The 2020 Fund have so far supported 10 youth-employment programs in the community; all contributions go directly to youth stipends and training.
